11.07.2019 – STR8 proud of its ambassador, Giannis Antetokounmpo and his distinction as this season's most valuable player in the NBA, continues to support the action of this great player, as he has done all these past years.

STR8 honoring the man who gave us all moments of emotion and embodies the brand's message, Go For Great, supported John's charity action at the Give N Rise Charity Event that took place in Mykonos on 06/07. There, the Milwaukee Bucks star, along with the "Antetokounbros", organized an original international nail-biting competition called "Dunks & Dance." Part of the proceeds of the event will be allocated to the purposes of the Association of Friends of Children with Cancer "Hope".

STR8 is committed to continuing to support other social actions, aiming to contribute to the improvement of the lives of our fellow human beings in need.
